

Attention Prince Hall Family:

Our 2022 Scholarship Fundraiser Drive has begun, and we definitely will need your help. The 155th Annual Grand Session of the Most Worshipful Prince Hall Grand Lodge is quickly approaching, and it is our desire (The Prince Hall Masons of Missouri Scholarship Committee) to continue the tradition of awarding at least 4, \$4,000.00 scholarships to deserving High School students, seeking to further their education.

COVID – 19 has placed many challenges in our lives. Death, health, financial, mental and social. But, we are excited at the opportunity to support our youth during the 2022 fall semester. **Please continue to contribute to our scholarship fund! It is a charity that invests in our own youth.**

If your contributions are received by June 30, 2022, you will be recognized and acknowledged during our Scholarship banquet and other future communications, for your hard work and benevolence. All Lodges, Chapters, Houses, Adopted and Affiliated Bodies, Auxiliaries, and Individual Contributors will be recognized for their contributions. Your contributions are important, and worth writing about.

Written recognition and acknowledgement will be based upon the following contribution levels:

Platinum Contributor: \$1,000.00

Silver Contributor: \$250.00

Gold Contributor: \$500.00

Bronze Contributor: \$100.00

(Your individual contributions may be tax deductible. Please consult your tax advisor.)

We must receive your contributions by June 30, 2022 to allow time for the printing of the banquet programs. Please make your donations payable to PHMOMCF, INC. and send directly to:

**Prince Hall Masons of Missouri Charitable Foundation
(PHMOMCF)
Scholarship Department
4525 Olive Street
St Louis, Mo 63108**

Contributions of ANY amount will be accepted at the Grand Lodge Scholarship Banquet

Our young people are not only the future of government and private industry, they are the future of Prince Hall Masonry. We must be mindful that some of our Scholarship recipients will embark upon the mysteries of Masonry as they matriculate through their higher education. Others may remember later in life that they received a Prince Hall Scholarship, and embark upon the mysteries of Masonry later. Therefore, let us sow the seeds of charity, in our youth who are voluntarily creating a better life for themselves. Our community will enjoy the harvest of a productive citizen that we all can be proud of.

Respectfully submitted,

Michael L. Shelton, Scholarship Chairman

Daryl A. Neal Executive Director of PHMOMCF
